

1. Materials and Equipment for Hydroelectric Power Stations

Item name/Product name (Specification etc.)	Branch/Station	Qty	Unit	Quotation Date	Delivery Date	Delivery Condition
				Year/Mon.	Year/Mon.	
Repair of penstock upper drainage pipe	Hongawa Power Station	1	Unit	2024/04	2024/12	Installed & adjusted
Development of dam information coordination system	Kochi Branch, etc.	1	Unit	2024/04	2025/03	Installed & adjusted
Replacement of intake regulating gate winch, etc.	Iokigawa Power Station (Iokigawa dam)	1	Unit	2024/04	2025/03	Installed & adjusted
Replacement of maintenance discharge valve control panel	Hongawa Power Station (Inamura dam)	1	Unit	2024/04	2025/03	Installed & adjusted
Replacement of automatic controller	Nanokawa Power Station (Kitagawa intake dam)	1	Unit	2024/04	2025/03	Installed & adjusted
Patrol drone	Matsuogawa No.1 Power Station	1	Unit	2024/04	2025/02	Delivered & adjusted
Pressure oil device	Nagasawa Power Station	1	Unit	2024/04	2025/02	Delivered & adjusted
Switch box	Bunsui No.4 Power Station	4	Box	2024/04	2025/12	Free on truck
Replacement of AC uninterruptible power supply	Tsuga Power Station (Tsuga dam)	1	Unit	2024/04	2025/03	Installed & adjusted
Inspection and repair in autumn	Hongawa Power Station	1	Unit	2024/05	2024/10	Installed & adjusted
Solar panel, etc.	Matsuyama Solar Photovoltaic Power Station	1	Unit	2024/05	2026/08	Installed & adjusted
Replacement of reservoir/intake boom	Nagasawa Power Station (Nagasawa dam)	1	Unit	2024/05	2025/03	Installed & adjusted
Modification of dam maintenance discharge facilities	Omorigawa Power Station (Omorigawa dam)	1	Unit	2024/05	2025/03	Installed & adjusted
Water turbine generator, distribution panel, switch box, etc. set	Kiragawa Power Station	1	Unit	2024/06	2027/03	Installed & adjusted
Modification of small capacity data exchange unit	Minawa Power Station (Minawa dam)	1	Unit	2024/06	2025/03	Installed & adjusted
Remote monitoring control device	Sakamoto Power Station	1	Unit	2024/06	2026/12	Delivered & adjusted
Replacement of water intake control terminal	Ikeda Hydraulic Power Center, etc.	1	Unit	2024/07	2025/03	Installed & adjusted
Replacement of dam gate opening meter	Tsuga Power Station (Tsuga dam)	1	Unit	2024/07	2025/03	Installed & adjusted
Replacement of spillway gate opening meter	Omorigawa Power Station (Omorigawa dam)	1	Unit	2024/07	2025/03	Installed & adjusted
Replacement of turbidimeter	Tsuga Power Station intake (Tsuga dam)	1	Unit	2024/07	2025/03	Installed & adjusted
Replacement of access bridge	Jinzo Power Station (Ikadazu dam)	1	Unit	2024/08	2027/03	Installed & adjusted
Feed-water device	Kagehira Power Station	1	Unit	2024/08	2026/08	Delivered & adjusted
Five-sense sensor (Drone)	Kamo Power Station, etc.	1	Unit	2024/09	2025/01	Delivered & adjusted
Drone inspection device	Namuragawa Power Station	1	Unit	2024/09	2025/07	Delivered & adjusted
Remote monitoring control device	No. 5 Kurokawa Power Station	1	Unit	2024/09	2026/12	Delivered & adjusted
Replacement of telemeter device	Yusuharagawa No.2 Power Station (Hatsuse dam), etc.	1	Unit	2024/10	2026/03	Installed & adjusted
Drone inspection device	Kiragawa Power Station	1	Unit	2024/10	2025/03	Delivered & adjusted
Replacement of remote monitoring control device	Ananaigawa Power Station (Ananaigawa dam)	1	Unit	2024/11	2026/03	Installed & adjusted
Replacement of remote monitoring control device	Omorigawa Power Station (Omorigawa dam)	1	Unit	2024/11	2026/03	Installed & adjusted
Replacement of remote monitoring control device	Shigeto dam	1	Unit	2024/11	2026/03	Installed & adjusted
Replacement of remote monitoring control device	Shingai Power Station (Yasuba dam)	1	Unit	2024/11	2026/03	Installed & adjusted
Replacement of maintenance discharge facilities unit side control panel	Omorigawa Power Station (Omorigawa dam)	1	Unit	2024/11	2026/03	Installed & adjusted
Distribution panel: Main transformer oil transfer pump control panel	Hongawa Power Station	1	Panel	2024/11	2025/12	Delivered & adjusted
Overhaul materials	Hongawa Power Station	1	Unit	2024/12	2027/03	Installed & adjusted
Replacement of monitoring control device, etc.	Matsuogawa No.1 Power Station (Matsuogawa dam)	1	Unit	2024/12	2026/03	Installed & adjusted
Replacement of sand basin scouring sluice winch	Nagoro Power Station (Nagoro dam)	1	Unit	2024/12	2026/03	Installed & adjusted
Replacement of sand basin scouring sluice winch	Hirono Power Station (Omidani dam)	1	Unit	2024/12	2026/03	Installed & adjusted
Replacement of upstream telemeter device	Ohashi Power Station (Ohashi Dam), etc.	1	Unit	2024/12	2026/03	Installed & adjusted

Item name/Product name (Specification etc.)	Branch/Station	Qty	Unit	Quotation Date	Delivery Date	Delivery Condition
				Year/Mon.	Year/Mon.	
Replacement of remote controller	Ohashi Power Station (Kazurahara intake dam)	1	Unit	2024/12	2026/03	Installed & adjusted
Replacement of scouring sluice, etc. winch	Higashitoyonaga Power Station (Tanimatagawa sand basin)	1	Unit	2024/12	2026/03	Installed & adjusted
Replacement of telemeter device	Hongawa Power Station (Inamura dam), etc.	1	Unit	2024/12	2026/03	Installed & adjusted
Replacement of south water tank regulating gate winch	Higashitoyonaga Power Station	1	Unit	2024/12	2026/03	Installed & adjusted
Replacement of south water tank scouring sluice winch	Higashitoyonaga Power Station	1	Unit	2024/12	2026/03	Installed & adjusted
Replacement of east water tank regulating gate winch	Higashitoyonaga Power Station	1	Unit	2024/12	2026/03	Installed & adjusted
Remote monitoring control device	No.5 Kurokawa Power Station	1	Unit	2024/12	2027/02	Delivered & adjusted
Replacement of control panel on intake regulating gate/scouring sluice device side	Yusuharagawa No.3 Power Station (Yusuharagawa No.3 dam)	1	Unit	2024/12	2026/03	Installed & adjusted
Replacement of control panel on intake regulating gate device side	Saga Power Station (Saga intake weir)	1	Unit	2024/12	2026/03	Installed & adjusted
Modification of regulator control panel	Sakamoto Power Station	1	Unit	2024/12	2026/12	Delivered & adjusted
Replacement of spillway gate	Saga Power Station (Saga dam)	1	Unit	2025/01	2027/03	Installed & adjusted
Replacement of water intake facility automatic controller	Hirono Power Station (Kominono Dam Control Office), etc.	1	Unit	2025/01	2026/03	Installed & adjusted
Replacement of water tank dust collector	Doigawa Power Station	1	Unit	2025/01	2026/03	Installed & adjusted
Development of dam/water intake information coordination system (Operation system reconstruction)	Ehime Branch, etc.	1	Unit	2025/01	2026/03	Installed & adjusted
Replacement of monitoring control device server	Within Kochi Branch	1	Unit	2025/01	2026/03	Installed & adjusted
Replacement of monitoring control device server	Within Kochi Branch	1	Unit	2025/01	2026/03	Installed & adjusted
Development of dam/water intake information coordination system (Operation system reconstruction)	Ehime Branch, etc.	1	Unit	2025/01	2026/03	Installed & adjusted
Replacement of dam control office protector panel, etc.	Ohashi Power Station (Ohashi Dam)	1	Unit	2025/01	2026/03	Installed & adjusted
Replacement of spillway gate standby generator	Ohashi Power Station (Ohashi Dam)	1	Unit	2025/01	2026/03	Installed & adjusted
Replacement of water tank scouring sluice winch	Nibukawa Power Station	1	Unit	2025/01	2026/03	Installed & adjusted
Replacement of intake scouring sluice winch	Komura Power Station (Komura intake dam)	1	Unit	2025/01	2026/03	Installed & adjusted
Replacement of monitoring control device server	Yusuharagawa No.2 Power Station (Hatsuse dam)	1	Unit	2025/01	2026/03	Installed & adjusted
Replacement of air conditioners for dam control office control room, etc.	Kagehira Power Station (Kominono Dam Control Office)	1	Unit	2025/01	2025/06	Installed & adjusted
Replacement of monitoring camera device	Bunsui No.1 Power Station (Omorigawa intake dam)	1	Unit	2025/01	2026/03	Installed & adjusted
Replacement of automatic dust collector	Yusuharagawa No.3 Power Station (Yusuharagawa No.3 dam)	1	Unit	2025/02	2026/03	Installed & adjusted
Replacement of water tank dust collector	Otaguchi Power Station	1	Unit	2025/02	2026/03	Installed & adjusted
Replacement of sand basin dust collector	Nanokawa Power Station (Nakatsu intake dam)	1	Unit	2025/02	2026/03	Installed & adjusted
Replacement of monitoring control device server	Yusuharagawa No.2 Power Station (Hatsuse dam)	1	Unit	2025/02	2026/03	Installed & adjusted
Replacement of downstream warning device	Tsuga Power Station, etc.	1	Unit	2025/02	2026/03	Installed & adjusted
Repair of part for monitoring control device, etc.	Dams within Kochi Branch	1	Unit	2025/02	2026/03	Installed & adjusted
Development of monitoring base system	Kochi Branch, etc.	1	Unit	2025/03	2026/03	Installed & adjusted
Replacement of water system indicator panel	Kubokawa Hydraulic Power Center	1	Unit	2025/03	2026/03	Installed & adjusted
Replacement of standby generator	Matsuogawa No.1 Power Station (Iyagawa intake dam)	1	Unit	2025/03	2026/03	Installed & adjusted

(Reference) For FY2025

Generator control panel	No.5 Kurokawa Power Station	5	Panel	2025/04	2026/12	Delivered & adjusted
Replacement of dam turbidimeter	Nagasawa Power Station (Nagasawa dam)	1	Unit	2025/04	2026/03	Installed & adjusted
Replacement of AC uninterruptible power supply	Hongawa Hydraulic Power Center	1	Unit	2025/04	2026/03	Installed & adjusted

Item name/Product name (Specification etc.)	Branch/Station	Qty	Unit	Quotation Date	Delivery Date	Delivery Condition
				Year/Mon.	Year/Mon.	
Installation of dam control forecasting system	Hongawa Hydraulic Power Center	1	Unit	2025/04	2026/03	Installed & adjusted
Replacement of runner vane	Oodo Power Station	1	Unit	2025/05	2027/07	Delivered & adjusted
Switch box, feed-water device	Hongawa Power Station	1	Unit	2025/05	2026/08	Delivered & adjusted
Monitoring base integration_relocation work of sand basin scouring sluice winch, etc.	Hongawa Hydraulic Power Center, etc.	1	Unit	2025/05	2026/03	Installed & adjusted
Replacement of scouring sluice	Kirikoshi Power Station (Kawamata intake dam)	1	Unit	2025/06	2026/03	Installed & adjusted
Replacement of intake regulating gate winch	Kirikoshi Power Station (Kawamata intake dam)	1	Unit	2025/06	2026/03	Installed & adjusted
Replacement of scouring sluice control panel, etc.	Iyagawa main stream intake dam	1	Unit	2025/06	2026/03	Installed & adjusted
Replacement of remote control panel and distribution board	Kirikoshi Power Station (Kawamata intake dam)	1	Unit	2025/06	2026/03	Installed & adjusted
Replacement of sand basin scouring sluice winch	Takano Power Station (Iyagawa Wakabayashi intake dam)	1	Unit	2025/06	2026/03	Installed & adjusted
Replacement of access bridge	Jinzo Power Station (Ikadazu dam)	1	Unit	2025/08	2028/03	Installed & adjusted
Replacement of iron pipe valve chamber DC power supply	Hirono Power Station	1	Unit	2025/09	2026/03	Installed & adjusted
Replacement work of cyclic digital information transmission unit, etc.	Kagehira Power Station (Shirakyu stream-flow gauging station), etc.	1	Unit	2025/09	2026/03	Installed & adjusted
Replacement of small capacity data exchange unit	Iya Power Station (Wakabayashi intake dam)	1	Unit	2025/09	2026/03	Installed & adjusted
Replacement of high-voltage power receiving equipment at Izumi pumping facility	Hirono Power Station	1	Unit	2025/09	2026/03	Installed & adjusted
Remote control of Ichiu-Deai link channel regulating gate and drainage gate	Ichiu-Deai link channel	1	Unit	2025/09	2026/03	Installed & adjusted
Remote monitoring control device	Doigawa Power Station	1	Unit	2025/09	2027/05	Delivered & adjusted
Remote monitoring control device	Tenjin Power Station	1	Unit	2025/09	2027/12	Delivered & adjusted
Remote control of intake regulating gate	Ikeda Power Station	1	Unit	2025/09	2026/03	Installed & adjusted
Generator current transformer, generator air cooler, oil lift pump, etc.	Hongawa Power Station	1	Unit	2025/10	2028/03	Delivered & adjusted
Overhaul materials	Hongawa Power Station	1	Unit	2025/12	2028/03	Installed & adjusted
Replacement work of cyclic digital information transmission unit for water level indicator	Hongawa Power Station	1	Panel	2025/12	2027/10	Delivered & adjusted
Inlet valve, bypass valve	Iokigawa Power Station	1	Unit	2026/01	2027/05	Delivered & adjusted
Replacement of intake regulating gate winch	Iokigawa Power Station (Iokigawa dam)	1	Unit	2026/01	2027/03	Installed & adjusted
Replacement of scouring sluice winch	Ohashi Power Station (Kazuraharagawa intake dam)	1	Unit	2026/01	2027/03	Installed & adjusted
Replacement of intake regulating gate winch	Ohashi Power Station (Kazuraharagawa intake dam)	1	Unit	2026/01	2027/03	Installed & adjusted
Replacement of dam monitoring control device server	Within Kochi Branch	1	Unit	2026/01	2027/03	Installed & adjusted
Replacement of dam control information gathering device	Hongawa Power Station (Inamura dam)	1	Unit	2026/01	2027/03	Installed & adjusted
Replacement of main transformer	Oodo Power Station	1	Piece	2026/02	2027/12	Delivered & adjusted

2. Materials and Equipment for Thermal Power Stations

Item name/Product name (Specification etc.)	Branch/Station	Qty	Unit	Quotation Date	Delivery Date	Delivery Condition
				Year/Mon.	Year/Mon.	
Repair of boiler secondary superheater stub tube	Tachibanawan Power Station	1	Unit	2024/04	2026/12	Installed & adjusted
Renewal of 187kV gas-insulated switchgear for starting transformer	Anan Power Station	1	Unit	2024/04	2028/03	Installed & adjusted
Renewal of 187kV gas-insulated switchgear for main transformer	Anan Power Station	1	Unit	2024/04	2028/03	Installed & adjusted
Replacement and repair of boiler reheater superheat reducing pipe	Tachibanawan Power Station	1	Unit	2024/04	2026/12	Installed & adjusted
Replacement and repair of boiler primary superheater superheat reducing pipe	Tachibanawan Power Station	1	Unit	2024/04	2026/12	Installed & adjusted
Renewal of boiler primary reheater two-layer bank	Tachibanawan Power Station	1	Unit	2024/04	2026/12	Installed & adjusted
1U: Repair of generator rotator	Sakaide Power Station	1	Unit	2024/04	2026/07	Delivered & adjusted
BCP spare parts (BCP electric motor stator and rotator)	Saijo Power Station	1	Unit	2024/04	2025/09	Free on truck
Renewal of boiler control device in station	Sakaide Power Station	1	Unit	2024/04	2026/12	Installed & adjusted
3U: Repair of feed-water pump outlet valve	Sakaide Power Station	1	Unit	2024/04	2025/11	Free on truck
1U: Spare parts for gas turbine	Sakaide Power Station	1	Unit	2024/04	2026/03	Free on truck
Renewal of power transformer within desulfurization station	Sakaide Power Station	1	Unit	2024/04	2025/11	Installed & adjusted
3U: Repair of 6 AV-module for Sulzer valve	Anan Power Station	1	Unit	2024/04	2025/06	Delivered & adjusted
3U: Spare parts for boiler recirculating pump	Sakaide Power Station	1	Unit	2024/04	2025/03	Free on truck
3U: Repair of 6 AV-module	Sakaide Power Station	1	Unit	2024/04	2025/11	Installed & adjusted
Repair of coal unloader periodic replacement parts for common facility No.2	Tachibanawan Power Station	1	Unit	2024/04	2025/08	Free on truck
1U: Spare parts for gas turbine	Sakaide Power Station	1	Unit	2024/04	2026/03	Free on truck
2U: Spare parts for gas turbine	Sakaide Power Station	1	Unit	2024/04	2026/03	Free on truck
Repair of lighting equipment [power generation]	Tachibanawan Power Station	1	Unit	2024/04	2024/11	Free on truck
New installation of thermal image analyzer	Sakaide Power Station	1	Unit	2024/04	2025/03	Installed & adjusted
4U: Repair of feed-water pump monitoring instrument	Sakaide Power Station	1	Unit	2024/04	2027/06	Delivered & adjusted
2U: Spare parts for thyristor starting device	Sakaide Power Station	1	Unit	2024/04	2026/03	Delivered & unloaded
3U: Spare parts for generator protection relay panel	Sakaide Power Station	1	Unit	2024/04	2027/03	Delivered & unloaded
Spare parts for coal crusher (A/B)	Tachibanawan Power Station	1	Unit	2024/04	2025/04	Free on truck
Repair of linkage transformer No. 2 tertiary cable (3300V F-CV(E-E) 1Cx1200SQ)	Saijo Power Station	378	m	2024/04	2025/09	Free on truck
Spare parts for electro-hydraulic control device heating pump	Tachibanawan Power Station	1	Unit	2024/04	2025/06	Free on truck
Spare parts for steam boiler feed-water pump (A/B) accumulator	Tachibanawan Power Station	1	Unit	2024/04	2025/06	Free on truck
Spare parts of motor stator coil for boiler circulation pump, etc.	Tachibanawan Power Station	1	Unit	2024/05	2025/02	Free on truck
Renewal of intake metal clad and power center, etc.	Anan Power Station	1	Unit	2024/05	2026/06	Delivered & adjusted
Renewal of nonsteady drainage tank circulating pump	Tachibanawan Power Station	1	Unit	2024/05	2025/01	Free on truck
2U: Replacement and repair of coal pulverizer parts	Saijo Power Station	2	Set	2024/06	2026/07	Free on truck
3U: Repair of boiler combustion device	Sakaide Power Station	1	Unit	2024/06	2025/11	Free on truck
Desulfurization absorbent recirculation pump parts	Sakaide Power Station	1	Unit	2024/06	2025/11	Delivered & adjusted
1U: New installation of limestone slurry concentration meter	Saijo Power Station	1	Unit	2024/06	2025/07	Installed & adjusted
1U: New installation of absorption tower slurry concentration meter	Saijo Power Station	1	Unit	2024/06	2025/07	Installed & adjusted
1U: New installation of absorption tower redox potential electrometer	Saijo Power Station	1	Unit	2024/06	2025/07	Installed & adjusted
3U: Detailed inspection of steam boiler feed-water pump rotor	Sakaide Power Station	1	Unit	2024/06	2025/11	Free on truck
Renewal of power charging telephone command system	Sakaide Power Station	1	Unit	2024/06	2025/07	Delivered & adjusted

Item name/Product name (Specification etc.)	Branch/Station	Qty	Unit	Quotation Date	Delivery Date	Delivery Condition
				Year/Mon.	Year/Mon.	
Periodic desulfurization inspection	Sakaide Power Station	1	Unit	2024/06	2025/11	Free on truck
Periodic desulfurization inspection	Sakaide Power Station	1	Unit	2024/06	2025/11	Free on truck
3U: Periodic inspection	Sakaide Power Station	1	Unit	2024/06	2025/11	Free on truck
Renewal of No.6 A/B feed water heater	Tachibanawan Power Station	1	Unit	2024/07	2026/12	Delivered & adjusted
Repair of desulfurization exhaust gas fan blade, etc.	Tachibanawan Power Station	1	Unit	2024/07	2027/01	Free on truck
2U: Repair of generator lead-out bushing	Saijo Power Station	1	Unit	2024/07	2026/07	Delivered & adjusted
New installation of remote patrolling robot	Sakaide Power Station	1	Unit	2024/07	2025/02	Delivered & adjusted
3U: Repair of pipe support device, etc.	Sakaide Power Station	1	Unit	2024/07	2025/11	Installed & adjusted
3U: Repair of Sulzer valve motor	Sakaide Power Station	1	Unit	2024/07	2025/11	Delivered & unloaded
Renewal of vibrating screen	Tachibanawan Power Station	1	Unit	2024/08	2026/12	Delivered & adjusted
Desulfurization facility: Renewal of control center	Tachibanawan Power Station	1	Unit	2024/08	2026/12	Installed & adjusted
Power generation facility: Renewal of control center	Tachibanawan Power Station	1	Unit	2024/08	2026/12	Installed & adjusted
Renewal of heat transfer circulation pump, etc.	Tachibanawan Power Station	1	Unit	2024/08	2027/01	Installed & adjusted
Renewal of in-yard monitor	Tachibanawan Power Station	1	Unit	2024/08	2026/03	Installed & adjusted
3U: Detailed inspection of turbine controller	Anan Power Station	1	Unit	2024/08	2025/06	Free on truck
Renewal of air conditioners for general office chemical analysis room, etc.	Tachibanawan Power Station	1	Unit	2024/08	2025/03	Installed & adjusted
Renewal of air conditioners for general office meeting room, etc.	Tachibanawan Power Station	1	Unit	2024/08	2025/03	Installed & adjusted
Renewal of air conditioners for general office 3F reception office, etc.	Anan Power Station	1	Unit	2024/08	2025/03	Installed & adjusted
Renewal of metal clad [Common to 3U]	Sakaide Power Station	1	Unit	2024/08	2025/11	Installed & adjusted
Desulfurization facility: Renewal of EP (electrostatic precipitator) electric charge control panel, etc.	Tachibanawan Power Station	1	Unit	2024/09	2026/12	Delivered & adjusted
Repair of desulfurization absorption towers	Tachibanawan Power Station	1	Unit	2024/09	2027/01	Free on truck
3U: Detailed inspection of high and intermediate pressure turbine casing	Anan Power Station	1	Unit	2024/09	2025/06	Installed & adjusted
Replacement and repair of mill parts	Tachibanawan Power Station	1	Unit	2024/09	2027/01	Free on truck
3U: Inspection and repair of main turbine main valve	Anan Power Station	1	Unit	2024/09	2025/06	Free on truck
3U: Detailed inspection of high and intermediate pressure turbine rotor	Anan Power Station	1	Unit	2024/09	2025/06	Installed & adjusted
3U: Inspection and repair of steam boiler feed-water pump controller, etc.	Anan Power Station	1	Unit	2024/09	2025/06	Free on truck
Renewal (removal) work of induction voltage regulator	Sakaide Power Station	1	Unit	2024/09	2026/11	Free on truck
3U: Repair of feed-water booster pump motor	Sakaide Power Station	1	Unit	2024/09	2025/11	Free on truck
3U: Detailed inspection of steam boiler feed-water pump rotor	Anan Power Station	1	Unit	2024/09	2025/07	Installed & adjusted
Renewal of clinker silo sweep device, etc.	Tachibanawan Power Station	1	Unit	2024/10	2027/01	Installed & adjusted
1U: Repair of generator lead-out bushing	Sakaide Power Station	1	Unit	2024/10	2026/07	Delivered & adjusted
Renewal of clinker silo sweep device, etc.	Tachibanawan Power Station	1	Unit	2024/10	2027/01	Installed & adjusted
3U: Repair of boiler circulation pump A/B	Sakaide Power Station	1	Unit	2024/10	2025/11	Installed & adjusted
2U: Replacement and repair of high-pressure ventilator bearing	Saijo Power Station	1	Unit	2024/10	2026/07	Delivered & adjusted
2U: Replacement and repair of air preheater element	Saijo Power Station	1	Unit	2024/10	2026/07	Free on truck
2U: Replacement and repair of air preheater parts	Saijo Power Station	1	Unit	2024/10	2026/07	Free on truck
Renewal of relay emergency control system panel	Anan Power Station	1	Unit	2024/11	2027/12	Delivered & adjusted
Replacement and repair of NOx removal catalyst	Tachibanawan Power Station	1	Unit	2024/12	2025/10	Free on truck
Renewal of ash treatment facility metal clad, etc.	Tachibanawan Power Station	1	Unit	2024/12	2026/12	Delivered & adjusted

Item name/Product name (Specification etc.)	Branch/Station	Qty	Unit	Quotation Date	Delivery Date	Delivery Condition
				Year/Mon.	Year/Mon.	
Renewal of main turbine protection panel	Tachibanawan Power Station	1	Unit	2024/12	2026/12	Delivered & adjusted
Renewal of generator/transformer protection relay panel	Tachibanawan Power Station	1	Unit	2024/12	2026/12	Delivered & adjusted
Automatic operation of coal unloader	Saijo Power Station	1	Unit	2024/12	2025/02	Installed & adjusted
Renewal of clinker transport slurry pump A/B	Tachibanawan Power Station	1	Unit	2024/12	2025/10	Free on truck
Repair of coal transport equipment conveyor belt	Tachibanawan Power Station	1	Unit	2024/12	2026/03	Free on truck
Renewal of electrostatic precipitator side wall	Tachibanawan Power Station	1	Unit	2025/01	2027/01	Installed & adjusted
Renewal of boiler startup valve	Tachibanawan Power Station	1	Unit	2025/01	2026/12	Delivered & adjusted
FA system in-yard wireless network construction (period II)	Tachibanawan Power Station	1	Unit	2025/01	2025/12	Installed & adjusted
3U: Repair of air flue duct expansion joint	Sakaide Power Station	1	Unit	2025/01	2025/11	Installed & adjusted
Repair of desulphurization equipment flue duct expansion joint	Sakaide Power Station	1	Unit	2025/01	2025/11	Free on truck
Renewal of ash pressure transporter	Tachibanawan Power Station	1	Unit	2025/02	2027/01	Installed & adjusted
Work for renewal of instrument CVCF	Saijo Power Station	1	Unit	2025/02	2026/07	Delivered & adjusted
3U: Detailed inspection of turbine controller	Sakaide Power Station	1	Unit	2025/02	2026/01	Free on truck
3U: Detailed inspection of steam boiler feed-water pump controller	Sakaide Power Station	1	Unit	2025/02	2026/01	Delivered & adjusted
2U: Repair of gas turbine combustor, etc.	Sakaide Power Station	1	Unit	2025/03	2026/03	Free on truck
Renewal of turbine local controller	Tachibanawan Power Station	1	Unit	2025/03	2026/12	Delivered & adjusted
Repair of ash treatment facilities	Tachibanawan Power Station	1	Unit	2025/03	2027/01	Free on truck
3U: Repair of main turbine high pressure first stage nozzle box, etc.	Anan Power Station	1	Unit	2025/03	2025/06	Free on truck
Renewal of tank level monitor	Anan Power Station	1	Unit	2025/03	2026/06	Installed & adjusted
Renewal of fuel acceptance monitor	Anan Power Station	1	Unit	2025/03	2026/06	Installed & adjusted
Renewal of FA system domain server, etc.	Anan Power Station	1	Unit	2025/03	2026/05	Installed & adjusted
2U: Repair of generator AC exciter	Saijo Power Station	1	Unit	2025/03	2026/07	Delivered & adjusted
Renewal of 2F air conditioner for new central control room building	Sakaide Power Station	1	Unit	2025/03	2026/03	Free on truck

(Reference) For FY2025

Common facility: Renewal of high-voltage electric motor	Tachibanawan Power Station	1	Unit	2025/04	2029/12	Tachibanawan Power Station
2U: Renewal of unit calculator	Sakaide Power Station	1	Unit	2025/04	2027/10	Sakaide Power Station
Power generation facility: Renewal of high-voltage electric motor	Tachibanawan Power Station	1	Unit	2025/04	2029/12	Tachibanawan Power Station
Renewal of coal storage silo bottom dust collector	Saijo Power Station	1	Unit	2025/04	2026/07	Saijo Power Station
Renewal of thermal power FA system	Tachibanawan Power Station	1	Unit	2025/04	2026/12	Tachibanawan Power Station
Expansion of FA system network function	Sakaide Power Station	1	Unit	2025/04	2026/02	Sakaide Power Station
Desulfurization facility: Renewal of high-voltage electric motor	Tachibanawan Power Station	1	Unit	2025/04	2027/02	Tachibanawan Power Station
Common facility: Renewal of control center	Tachibanawan Power Station	1	Unit	2025/04	2027/02	Tachibanawan Power Station
Construction of image analysis system	Anan Power Station	1	Unit	2025/04	2026/03	Anan Power Station
1U: Repair of gas turbine intake filter	Sakaide Power Station	1	Unit	2025/04	2026/03	Sakaide Power Station
New installation of emergency control device remote control panel	Tachibanawan Power Station	1	Unit	2025/04	2027/02	Tachibanawan Power Station
Renewal of metal clad [Common to 4U]	Sakaide Power Station	1	Unit	2025/05	2027/06	Sakaide Power Station
4U: Renewal of boiler water-cooled wall pipe	Sakaide Power Station	1	Unit	2025/07	2027/06	Sakaide Power Station
Periodic inspection of power generation facility	Tachibanawan Power Station	1	Unit	2025/07	2027/02	Tachibanawan Power Station

Item name/Product name (Specification etc.)	Branch/Station	Qty	Unit	Quotation Date	Delivery Date	Delivery Condition
				Year/Mon.	Year/Mon.	
3U: Renewal of generator exciter	Sakaide Power Station	1	Unit	2025/08	2028/06	Sakaide Power Station
Repair of air preheater low temperature side diaphragm	Tachibanawan Power Station	1	Unit	2025/08	2026/12	Tachibanawan Power Station
Inspection of condenser extraction pipe expansion	Tachibanawan Power Station	1	Unit	2025/08	2026/12	Tachibanawan Power Station
Repair of ventilator parts	Tachibanawan Power Station	1	Unit	2025/08	2026/12	Tachibanawan Power Station
Renewal of desulfurization supply water pump power cable	Tachibanawan Power Station	1	Unit	2025/08	2026/07	Tachibanawan Power Station
1U: Repair of waste heat recovery boiler A-stage deflector plate	Sakaide Power Station	1	Unit	2025/09	2026/07	Sakaide Power Station
Renewal of facility error detection system	Sakaide Power Station	1	Unit	2025/09	2026/12	Sakaide Power Station
Renewal of seawater fire pump local control panel, etc. (seawater fire pump control panel)	Anan Power Station	1	Unit	2025/09	2026/10	Anan Power Station
Renewal of seawater fire pump local control panel, etc. (fresh water fire pump control panel)	Anan Power Station	1	Unit	2025/09	2026/10	Anan Power Station
Renewal of desulfurization truck scale	Anan Power Station	1	Unit	2025/09	2026/12	Anan Power Station
4U: Renewal of gas recirculating fan electric motor	Sakaide Power Station	1	Unit	2025/10	2027/06	Sakaide Power Station
3U: Removal of generator exciter	Sakaide Power Station	1	Unit	2025/10	2028/06	Sakaide Power Station
Renewal of IP-type digital information transmission unit primary converter panel, etc.	Sakaide Power Station	1	Unit	2025/10	2028/03	Sakaide Power Station
4U: Repair of 6 AV-module (period II)	Sakaide Power Station	1	Unit	2025/11	2026/06	Sakaide Power Station
Inspection of mill reducer	Tachibanawan Power Station	1	Unit	2025/12	2026/12	Tachibanawan Power Station
Condensate demineralizer ion exchange resin	Tachibanawan Power Station	650/2,200	l	2025/12	2027/08	Tachibanawan Power Station
Repair of parts in electrostatic precipitator	Tachibanawan Power Station	1	Unit	2026/01	2027/01	Tachibanawan Power Station
1U: Repair of gas turbine main valve actuator servo valve	Sakaide Power Station	1	Unit	2026/01	2026/07	Sakaide Power Station
Renewal of simulator facility	Sakaide Power Station	1	Unit	2026/03	2027/01	Sakaide Power Station
4U: Repair of high-pressure ventilator electric motor	Sakaide Power Station	1	Unit	2026/03	2027/06	Sakaide Power Station
4U: Repair of superheater overheat reducer	Sakaide Power Station	1	Unit	2026/03	2027/06	Sakaide Power Station
Renewal of metal clad power receiving cable [Common to 2U]	Sakaide Power Station	1	Unit	2026/03	2029/03	Sakaide Power Station
Renewal of coal storage silo discharge meter	Saijo Power Station	1	Set	2026/03	2027/03	Saijo Power Station
New installation of in-station information display panel	Tachibanawan Power Station	1	Unit	2026/03	2027/12	Tachibanawan Power Station
Renewal of FA comprehensive monitoring server	Saijo Power Station	1	Unit	2026/03	2027/03	Saijo Power Station
Renewal of 3F air conditioner for central control room, etc.	Sakaide Power Station	1	Unit	2026/03	2027/03	Sakaide Power Station

3. Materials and Equipment for Nuclear Power Stations

Item name/Product name (Specification etc.)	Branch/Station	Qty	Unit	Quotation Date	Delivery Date	Delivery Condition
				Year/Mon.	Year/Mon.	
Renewal of simulator simulation computer and other work	Nuclear Research & Training Center	1	Unit	2024/04	2028/02	Installed & adjusted
Medium pump unit	Ikata Power Station	7	Set	2024/04	2026/06	Delivered & unloaded
3U: Repair work of main water pipe	Ikata Power Station	1	Unit	2024/04	2026/01	Installed & adjusted
2U: Tool for handling buffers inside containers for off-station shipping	Ikata Power Station	1	Unit	2024/04	2026/04	Delivered & unloaded
3U: Replacement of 187kV gas-insulated switchgear control box electric equipment	Ikata Power Station	1	Unit	2024/04	2025/10	Installed & adjusted
Renewal of simulator audible counting rate meter and synchronism detection simulator	Nuclear Research & Training Center	1	Unit	2024/04	2028/02	Installed & adjusted
Clothes for controlled area	Ikata Power Station	1	Unit	2024/04	2024/12	Delivered & unloaded
3U: Seawater desalinization equipment cleaning stirring blower	Ikata Power Station	2	Set	2024/04	2024/10	Free on truck
Replacement of main turbine control panel	Nuclear Research & Training Center	1	Unit	2024/05	2027/03	Installed & adjusted
3U: Replacement of tachometer with diesel generator 3B	Ikata Power Station	1	Unit	2024/05	2025/12	Installed & adjusted
3U: Replacement of low voltage electric motor	Ikata Power Station	1	Unit	2024/05	2025/06	Free on truck
Solid waste volume reduction device	Ikata Power Station	1	Unit	2024/05	2025/03	Installed & adjusted
3U: Replacement of liquid scintillation counter	Ikata Power Station	1	Unit	2024/05	2025/05	Installed & adjusted
3U: Inspection and work of ethanalamine wastewater treatment equipment anode plate	Ikata Power Station	1	Unit	2024/05	2025/03	Free on truck
Fixed filter paper equation dust sampler	Ikata Power Station	1	Unit	2024/05	2025/05	Delivered & adjusted
3U: Purchase of seawater pump electric motor B powertrain spare parts	Ikata Power Station	1	Unit	2024/06	2025/12	Delivered & adjusted
3U: Inspection on air-cooled type emergency power generating system	Ikata Power Station	1	Unit	2024/06	2024/11	Delivered & adjusted
2U: Part for abolition measures inspection and repair	Ikata Power Station	1	Unit	2024/06	2024/11	Free on truck
Satellite telephone facility	Ikata Power Station	1	Unit	2024/06	2024/06	Delivered & unloaded
3U: Replacement of control rod driving shaft handling tool	Ikata Power Station	1	Unit	2024/07	2025/10	Delivered & unloaded
3U: Replacement of condensate booster pump 3A electric motor stator	Ikata Power Station	1	Unit	2024/07	2025/12	Delivered & adjusted
Overhaul repair of circuit breaker	Ikata Power Station	1	Unit	2024/07	2025/09	Free on truck
3U: Replacement of sea water pump 3C electric motor stator	Ikata Power Station	1	Unit	2024/07	2025/12	Delivered & adjusted
3U: Replacement of spare transformer ladder cable	Ikata Power Station	1	Unit	2024/07	2025/12	Free on truck
3U: Spare parts for the 18th periodic inspection work	Ikata Power Station	1	Unit	2024/07	2025/09	Delivered & unloaded
3U: Spare parts for the 18th periodic inspection	Ikata Power Station	1	Unit	2024/07	2025/09	Delivered & unloaded
3U: Replacement and repair of MG set control panel automatic synchronous activation device	Ikata Power Station	1	Unit	2024/07	2025/12	Installed & adjusted
3U: Replacement work of second low-pressure water supply heater	Ikata Power Station	1	Unit	2024/08	2027/07	Installed & adjusted
3U: Purchase of battery charger panel (B powertrain) device	Ikata Power Station	1	Unit	2024/09	2025/12	Delivered & adjusted
3U: Replacement of control center unit	Ikata Power Station	1	Unit	2024/09	2025/12	Free on truck
3U: Replacement of metal clad switching apparatus circuit breaker	Ikata Power Station	1	Unit	2024/09	2025/12	Installed & adjusted
1U/2U: Fire alarm receiver	Ikata Power Station	1	Unit	2024/09	2026/03	Delivered & adjusted
Emergency countermeasure center video system repair work	Ikata Power Station	1	Unit	2024/09	2024/09	Installed & adjusted
3U: Periodic inspection and work of cleaning wastewater treatment equipment	Ikata Power Station	1	Unit	2024/09	2025/08	Delivered & unloaded
3U: Replacement of power center circuit breaker	Ikata Power Station	1	Unit	2024/09	2025/12	Installed & adjusted
2U: Abolition measures inspection repair work	Ikata Power Station	1	Unit	2024/09	2025/03	Installed & adjusted
3U: Replacement and repair of diesel generator 3B control panel electric parts	Ikata Power Station	1	Unit	2024/10	2025/12	Installed & adjusted
Parts for steam generator inspection robot	Ikata Power Station	1	Unit	2024/10	2025/09	Delivered & unloaded
3U: Repair of fuel handling building/B crane relay control panel electric parts	Ikata Power Station	1	Unit	2024/10	2027/03	Delivered & adjusted

Item name/Product name (Specification etc.)	Branch/Station	Qty	Unit	Quotation Date	Delivery Date	Delivery Condition
				Year/Mon.	Year/Mon.	
3U: Replacement of filling pump 3A main shaft	Ikata Power Station	1	Unit	2024/10	2026/12	Delivered & unloaded
3U: Repair of control panel electric parts for polar crane auxiliary winding	Ikata Power Station	1	Unit	2024/10	2024/06	Delivered & adjusted
3U: Seawater system rubber expansion joint replacement work	Ikata Power Station	1	Unit	2024/10	2025/02	Delivered & unloaded
3U: Seawater desalinization equipment seawater water conveying pump	Ikata Power Station	3	Set	2024/10	2025/07	Free on truck
3U: Electric indicator replacement work	Ikata Power Station	1	Unit	2024/11	2026/02	Installed & adjusted
3U: Replacement work of diesel generator 3A turning device	Ikata Power Station	1	Unit	2024/11	2027/05	Installed & adjusted
1U: Inspection on air-cooled type emergency power generating system	Ikata Power Station	1	Unit	2024/11	2025/06	Delivered & adjusted
3U: Plant computer facilities display modification	Ikata Power Station	1	Unit	2024/11	2026/03	Installed & adjusted
3U: Repair of DC starter panel electric parts	Ikata Power Station	1	Unit	2024/11	2025/11	Delivered & unloaded
3U: Spare parts for the 18th periodic inspection primary system	Ikata Power Station	1	Unit	2024/12	2025/09	Delivered & unloaded
3U: Renewal work of elevator in main office building	Ikata Power Station	1	Unit	2025/02	2026/03	Installed & adjusted
3U: Spare parts for the 18th periodic inspection (For inspection of nuclear reactor facility)	Ikata Power Station	1	Unit	2025/02	2025/09	Delivered & unloaded
3U: Replacement of power center circuit breaker	Ikata Power Station	1	Unit	2025/03	2027/07	Free on truck
3U: Spare parts for the 18th periodic inspection secondary system	Ikata Power Station	1	Unit	2025/03	2025/09	Delivered & unloaded
3U: Water purification system hydrochloric acid receiving tank	Ikata Power Station	1	Unit	2025/03	2026/04	Free on truck
3U: Replacement work of water purification system hydrochloric acid measuring tank	Ikata Power Station	1	Unit	2025/03	2026/04	Free on truck

(Reference) For FY2025

3U: Replacement work of radiation monitoring control panel	Ikata Power Station	1	Unit	2025/04	2027/06	Installed & adjusted
3U: Replacement work of control rod position indicator device	Ikata Power Station	1	Unit	2025/04	2027/06	Installed & adjusted
3U: Inspection work of air heater governor	Ikata Power Station	1	Unit	2025/04	2026/02	Installed & adjusted
3U: Stoplog	Ikata Power Station	1	Unit	2025/04	2025/06	Free on truck
Repair of control panel electric parts for gantry crane	Ikata Power Station	1	Unit	2025/04	2026/11	Delivered & adjusted
3U: Replacement of fire detectors	Ikata Power Station	1	Unit	2025/04	2025/08	Free on truck
3U: Replacement of primary atomic absorption spectrophotometer	Ikata Power Station	1	Unit	2025/04	2025/08	Installed & adjusted
3U: Repair of extinguishing system electric parts	Ikata Power Station	1	Unit	2025/04	2026/01	Free on truck
3U: Inspection on air-cooled type emergency power generating system	Ikata Power Station	1	Unit	2025/05	2025/09	Delivered & adjusted
3U: Countermeasure work for fire effect reduction	Ikata Power Station	1	Unit	2025/05	2025/09	Free on truck
Liquid scintillation counter	Ikata Power Station	1	Unit	2025/05	2026/05	Delivered & adjusted
Pocket dosimeter with alarm, etc.	Ikata Power Station	1	Unit	2025/06	2027/09	Delivered & adjusted
Radiation personal exposure management system	Ikata Power Station	1	Unit	2025/06	2027/09	Delivered & adjusted
1U: Parts for abolition measures inspection and repair	Ikata Power Station	1	Unit	2025/06	2026/01	Free on truck
Fixed filter paper equation dust sampler	Ikata Power Station	1	Unit	2025/06	2026/05	Delivered & adjusted
Warehouse elevator integrated renewal work	Ikata Power Station	1	Unit	2025/07	2026/09	Installed & adjusted
3U: Repair work of diesel generator 3A exhaust muffler	Ikata Power Station	1	Unit	2025/07	2027/05	Installed & adjusted
3U: Repair of control panel electric parts for polar crane auxiliary winding	Ikata Power Station	1	Unit	2025/07	2025/09	Delivered & adjusted
3U: Overhaul repair of power center power receiving circuit breaker	Ikata Power Station	1	Unit	2025/10	2026/09	Installed & adjusted
Seismometer recording device for observation, etc.	Ikata Power Station	1	Unit	2025/11	2026/11	Delivered & unloaded
1U: Abolition measures inspection repair work	Ikata Power Station	1	Unit	2025/11	2026/05	Installed & adjusted
3U: Repair of seal oil DC starter panel electric parts	Ikata Power Station	1	Unit	2025/12	2027/05	Installed & adjusted

Item name/Product name (Specification etc.)	Branch/Station	Qty	Unit	Quotation Date	Delivery Date	Delivery Condition
				Year/Mon.	Year/Mon.	
3U: Overhaul repair of main transformer	Ikata Power Station	1	Unit	2026/01	2027/05	Installed & adjusted
Periphery monitoring post	Ikata Power Station	1	Unit	2026/01	2028/12	Delivered & adjusted
3U: Replacement and repairs of diesel generator 3A control panel electric parts	Ikata Power Station	1	Unit	2026/01	2027/02	Installed & adjusted
3U: Emergency gas turbine generator electrical equipment inspection (Replacement of electric parts, such as starting panel for FY 2026)	Ikata Power Station	1	Unit	2026/02	2026/12	Delivered & adjusted
1U: Renewal of power center	Ikata Power Station	1	Unit	2026/03	2028/07	Installed & adjusted
3U: Repair of DC starter panel electric parts	Ikata Power Station	1	Unit	2026/03	2027/04	Installed & adjusted
2U: Parts for abolition measures inspection and diesel generator parts	Ikata Power Station	1	Unit	2026/03	2026/11	Delivered & unloaded

4. Others

Item name/Product name (Specification etc.)	Branch/Station	Qty	Unit	Quotation Date	Delivery Date	Delivery Condition
				Year/Mon.	Year/Mon.	
Hardware and software for TV conference system set (including those for 6 years of maintenance)	Information Systems Dept.	1	Unit	2024/04	2025/09	Delivered & unloaded
Network equipment set (including those for 6 years of maintenance)	New Takamatsu Data Center	1	Unit	2024/04	2024/12	Delivered & adjusted
Application software for emergency call (including those for 5 years of maintenance)	New Takamatsu Data Center	1	Unit	2024/04	2025/11	Delivered & adjusted
Voice response system (including those for 5 years of maintenance)	New Takamatsu Data Center	1	Unit	2024/04	2025/11	Delivered & adjusted
400MHz band digital mobile radio system set	Tachibanawan Power Station, Anan Power Station	1	Unit	2024/04	2026/01	Delivered & adjusted
Installation work of green hydrogen demonstration test system	Matsuyama Solar Power Station	1	Unit	2024/04	2025/02	Installed & adjusted
Disaster information system: Functions expansion license	Head Office General Affairs Dept.	1	Unit	2024/06	2025/03	Delivered & unloaded
IC card reader/writer	Information Systems Dept.	7,010	Set	2024/07	2024/10	Delivered & unloaded
North-side air conditioner replacement work (company-supplied equipment)	Kochi Branch Bldg.	1	Unit	2024/07	2024/12	Delivered & adjusted
Tablet set	Information Systems Dept.	924	Set	2024/08	2025/10	Delivered & unloaded
PC set	Information Systems Dept.	774	Set	2024/08	2025/10	Delivered & unloaded
PC set	Information Systems Dept.	250	Set	2024/08	2025/10	Delivered & unloaded
PC set	Information Systems Dept.	225	Set	2024/08	2025/02	Delivered & unloaded
New customers satellite facilities construction work	Undecided	1	Unit	2024/08	2026/02	Delivered & adjusted
Installation work of photovoltaic power generation facilities by photovoltaic power generation service maintenance	PV service receivers	1	Unit	2024/09	2025/02	Installed & adjusted
Server set (including those for 5 years of maintenance)	Ikata Power Station	1	Unit	2024/10	2025/02	Delivered & adjusted
IT operation management software (including those for 5 years of maintenance)	Information Systems Dept.	1	Unit	2024/11	2024/12	Delivered & unloaded
Microsoft365/EMS, etc. Usage fee	Information Systems Dept.	6,000	Piece	2025/01	2025/03	Delivered & unloaded
Server set (including those for 5 years of maintenance)	New Takamatsu Data Center	1	Unit	2025/01	2025/04	Delivered & adjusted
Light & life (PR magazine)	Head Office Public Relations Department	1	Unit	2025/01	2026/02	Delivered & unloaded
Seawater pump	Utazu-cho, Ayauta-gun	1	Unit	2025/01	2026/01	Free on truck
Server set (including those for 5 years of maintenance)	New Takamatsu Data Center	1	Unit	2025/03	2025/07	Delivered & adjusted

(Reference) For FY2025

Server set (including those for 5 years of maintenance)	New Takamatsu Data Center, etc.	1	Unit	2025/04	2025/10	Delivered & adjusted
Database software (including those for 1 year of maintenance)	New Takamatsu Data Center, etc.	1	Unit	2025/04	2025/10	Delivered & unloaded
150/60MHz band analog mobile radio system set	Sawadani Radio Station, etc.	1	Unit	2025/04	2027/01	Delivered & adjusted
400MHz band digital mobile radio system set	Ikata Power Station	1	Unit	2025/04	2027/03	Delivered & adjusted
Power receiving equipment renewal work (company-supplied equipment)	Kochi Branch Bldg.	1	Unit	2025/04	2027/03	Delivered & adjusted
Renewal of power receiving equipment	Sunport area	1	Unit	2025/05	2026/12	Installed & adjusted
2F of central control room at Sakaide Power Station: Renewal work of air conditioner in control equipment room	Sakaide Power Station	1	Unit	2025/05	2026/03	Delivered & adjusted
Disaster information system: Functions expansion license	Head Office General Affairs Dept.	1	Unit	2025/06	2026/03	Delivered & unloaded
Renewal of conference hall sound system	Head Office	1	Unit	2025/10	2026/03	Installed & adjusted
IT operation management software (including those for 5 years of maintenance)	Information Systems Dept.	1	Unit	2025/11	2025/12	Delivered & unloaded
Light & life (PR magazine)	Head Office Public Relations Department	1	Unit	2026/01	2027/02	Delivered & unloaded
