Item name/Product name (Specification etc.)	Branch	Qty	Unit	Quotation Date	Delivery Date	Delivery Condition
				Year/Mon.	Year/Mon.	
Meter (metering section)	Head Office warehouse	333,645	Piece	2024/04	2025/03	Delivered & unloaded
Meter (Low voltage communication part)	Head Office warehouse	252,900	Piece	2024/04	2025/03	Delivered & unloaded
Power distribution automation system software	Branch and establishment	1	Unit	2024/04	2025/03	Installed & adjusted
Instrument transformer (GIS VCT unit)	Anan City, Tokushima Prefecture	1	Unit	2024/04	2027/09	Installed & adjusted
Transformer	Uwakai distribution tower	1	Unit	2024/04	2026/04	Delivered & adjusted
Switch box	Uwakai distribution tower	1	Unit	2024/04	2026/04	Delivered & adjusted
Manhole	Kunimi utility pole warehouse	9	Piece	2024/04	2024/06	Delivered & unloaded
Remote monitoring control device	Uwakai distribution tower	1	Unit	2024/04	2026/04	Delivered & adjusted
Booster	Tokushima warehouse	1	Set	2024/04	2025/04	Delivered & unloaded
LED display unit	Kochi Branch	1	Unit	2024/04	2025/03	Installed & adjusted
Power distribution automation system software	Branch and establishment	1	Unit	2024/04	2025/03	Installed & adjusted
Booster	Tokushima warehouse	1	Set	2024/06	2025/05	Delivered & unloaded
Transformer	Otsuki distribution tower	1	Unit	2024/07	2026/06	Delivered & adjusted
Transformer	Nakajima distribution tower	1	Unit	2024/07	2025/10	Installed & adjusted
Switch box	Otsuki distribution tower	1	Unit	2024/07	2026/06	Delivered & adjusted
Power distribution automation system software	Tokushima Branch	1	Unit	2024/07	2025/03	Installed & adjusted
Remote monitoring control device	Otsuki distribution tower	1	Unit	2024/07	2026/06	Delivered & adjusted
Mobile low-voltage generator vehicle	Tokushima Branch, etc.	3	Set	2024/08	2026/02	Delivered & adjusted
Mobile high-voltage generator vehicle	Nakamura Branch	1	Set	2024/08	2026/02	Delivered & adjusted
Power distribution automation system-related devices	Kochi Branch	1	Unit	2025/01	2026/03	Installed & adjusted

(Reference) For FY2025

Meter (metering section/next-generation)	Head Office warehouse	176,993	Piece	2025/04	2026/03	Delivered & unloaded
Meter (metering section)	Head Office warehouse	254,290	Piece	2025/04	2026/03	Delivered & unloaded
Meter (Low voltage communication part)	Head Office warehouse	245,600	Piece	2025/04	2026/03	Delivered & unloaded
Meter (Low voltage communication part/next-generation)	Head Office warehouse	176,993	Piece	2025/04	2026/03	Delivered & unloaded
